## Course Description

Start on the A40 Witney by-pass at the western end of the first lay-by after the Cogges exit and about a mile west of the Hill Farm over-bridge and the eastern end of the dual carriageway, 177 yards west of and beyond kilometre post 106.9 by the last green cats eye before the end of the lay-by. Proceed westwards past the Central Witney and A415 exit and entry slip roads (Care of traffic leaving and entering from the left, and the exit slip road to Brize Norton (Care of leaving traffic on the left) past the 5 mile point in the last lay-by before the turn and continue towards the Asthall roundabout. (Great Care. Look behind, signal and cross to the outside lane on the approach)

Turn by circling the Asthall roundabout, past the exit to the A40, the entrance from that road and the junction with the B4047 to take the third exit back onto the A40 eastbound past the P sign on the corner. (Check).

Proceed eastwards on the A40 past the slip road from the Brize Norton and Minster Lovell (Care of traffic entering from the left) Continue past the exit to Central Witney and A415 junction slip road (Care of traffic leaving to the left) and cross the bridge over that junction. Pass the end of the slip road from that junction. (Care of traffic entering from the left)

Finish at a drain where the next metal barrier first attains its full height, about 25 yards east of and beyond a green "A40" sign on the verge.

Marshalls referred to in this course description (M1, M2) etc may be provided solely to indicate the course direction. They have no role whatsoever in the risk assessment itself.
